

## Calling All Fund-Raisers!

Do you, your friends or maybe your family really like helping people? At Shine Through the Rain we like that too! We work hard to make sure kids and their families can make fun memories and be happy through tough times. We help families that have a sick person who needs to make lots of trips to the hospital, by making life easier and less scary for them.

You can help us with this... by fundraising! What is fundraising you ask? Well...

Fundraising is amazing. When you fundraise, you are doing something to earn money or objects that you can donate to people who need it most! The most important thing to remember when you think of fundraising is that the word FUN is at the beginning! FUNdraising should be FUN! Find something you might like to do, get friends and family to join in, and you're halfway there!

Here are some ideas of ways you can fundraise as a family...

- Host a bake sale or cupcake sale
- Hold a car wash
- Cut lawns for your neighbors
- Walk your neighbors' dogs
- Have a yard sale
- Host a pizza night for friends and family
- Host a BBQ for neighbors
- Have a used book sale
- Build a lemonade stand
- Host a toy drive

Don't forget to take pictures to share with us! We love seeing how much fun you have fundraising!

You might be wondering what to do when your fundraising is done... That might just be the best part of the whole thing. You get to see how much you were able to raise from all your hard work, and then deliver it to Shine Through the Rain so that families all over Canada can be helped by your amazing efforts!! If you live near Newmarket, Ontario stop by and say hello with your raised funds! If you are a little farther away, have mom or dad help you mail it out to us! Do you, mom or dad have questions about fundraising? Contact us today!
